FAQs

What if I shop online?

You can now submit your email receipts from select retailers to earn Box Tops for your school. To ensure that earnings are properly credited to your account:

1. Make sure you have a Box Tops for Education account (you can create one via the Box Tops app or website)
2. Forward your email receipt to receipts@boxtops4education.com using the **same email that's associated with your BTFE account**
3. Box Tops will be credited within 10 business days

The following online receipts are currently eligible: Instacart, Jet.com, SamsClub.com, Shipt, Target.com, Target Pick-Up/Drive-Up, Walmart Grocery, Walmart.com

What if the app doesn't find my eligible items?

If your scanned receipt contains eligible items, but none were added, just tap the Report Missed Earnings button and report what items were missed and how many Box Tops you were expecting. We will get back to you within 10 business days. **note: the program is new. Be patient! You will get credit for missing items!*

How does the digital program affect service hours?

The administration is trying to come up with an easy way to credit digital box tops for service hours. When you scan a receipt, you can enter your child's name and homeroom for easier tracking by administration. When a definite plan is developed for service hour tracking, we will let everyone know. Clipped box tops sent in through school that follow the process outlined above will still qualify for service hours.
