

May 2, 2019

Dear Parents,

I hope you had a blessed Easter and enjoyed the lovely liturgies provided by the Church. In addition, I would like to welcome all the second grade students who have or will be receiving their First Communion soon.

Great news! As of today the Race for Education has brought in \$100,342.00!!! That is amazing and envelopes continue to come in (2 more came in yesterday). Thank you to everyone who contributed in any way to make this fundraiser such a success. Our committee members are the best. It is due to this highly successful fundraiser that we are able to keep our tuition one of the lowest in the Archdiocese. God bless all of you!

As we begin the month of May we note that there are only six weeks left in the current school year. As stated last month, the next few weeks are packed with special events. At the end of this letter, I will again list all events from tomorrow through the end of the school year so you have it in one place, along with the calendar on the website.

We welcome back Mrs. Terry Wagner, PreK-A Instructional Assistant and thank Mrs. Diane Kinnear who assisted in Miss Terry's absence. We also welcome Dominic Rocco, son of Mrs. Hannah Rocco, second grade teacher. Mrs. Rocco will be returning towards the end of the school year. Thank you is also extended to Mrs. Nancy Shivery who has substituted for Mrs. Rocco.

As stated last month, the Instructional Fee statement will be due through FACTS by the end of this month. It will be sent electronically to parents on May 3

If you are in need of a tutor this summer, the following teachers, current and former, will be available. Please contact them directly to set up tutoring.

As you plan for uniform purchases for the next year, please refer to the handbook. There are separate shoes for K-2 students not to be used for 3-8 students. Likewise there are other differences in the uniforms themselves. Flynn and O'Hara and Van Dyke and Bacon have lists of approved items, however you may purchase items elsewhere as long as they meet the qualifications. The only difference is the addition of navy (only) leggings for girls. Also remember the optional summer uniform began May 1st (Handbook page 31).

May our holy Mother bless you,

Debbie Glinowiecki
