Dear Students and Parents ~

As Catholic Schools Week approaches, the PHSA would like to remind you that we also celebrate Teacher Appreciation during that week. The faculty and staff at St. Ursula do such a wonderful job teaching our children, enhancing their minds and instilling in them a sense of well-being and Catholic identity. It is a tradition during Catholic Schools Week that the PHSA, representing the school families, provides a themed catered dinner for the faculty and staff. We also provide a small gift to show our appreciation for all of their efforts. Last year, the St. Ursula families donated enough money to not only pay for the dinner, but also provide a catered lunch or breakfast for the faculty and staff several times throughout the year. Please consider giving this year. If each family makes a donation, this event could be a great treat for the teachers.

Thank you,

Caroline J Davis

PHSA President
