

Thank you! Thank You! Thank you!

May 30, 2018

We would like to thank all of our parents who helped to make our "Race for Education" on Friday, April 20th such a huge success! We are grateful for all of the Sponsor Letters that you sent in, your contributions, and your volunteer hours spent making this event so successful. Thank you very much!!!

We are excited to report that this year's event has raised over **\$103,900** so far for St. Ursula! This has exceeded our expectations and confirms that the Race for Education has become the school's largest fundraiser. Please know that ALL funds go directly into the school's operating budget and in this tough economy, every extra dollar is needed. Not only does this fundraiser help to keep St. Ursula's tuition one of the lowest in the Archdiocese, but the money raised this year will be used to install white boards in all classrooms, replace the stage curtains, replace the flooring in the prekindergarten wing, and other facility upgrades. St. Ursula School is always looking to improve and our Race for Education helps the Administration achieve that goal.

Today you are receiving all of the Race for Education mailers that were returned to the school with donations in your child's name. Take a look at your returns and be proud of your effort to help St. Ursula School! Perhaps a little note or word of thanks to your sponsors will help them to consider supporting this fundraiser again next year. Please note that we have done our best to get all of the mailers to the correct child, but some came back with not enough information for us to determine to whom they should go. Please contact us if you have any questions.

Again, thank you very much!!! We appreciate your generosity and help in making this year's Race for Education so successful!

Sincerely,
The Race for Education Committee
and
The Students, Faculty and Staff of St. Ursula School
