Dear Parents,

Happy New Year to all of you! I hope you had a wonderful and blessed Christmas. We are now entering the heart of the winter season. Although we already had one snow day in November, I want to remind all of you that St. Ursula School follows Baltimore County Public Schools for all weather events. The best way to locate information is to listen to WBAL radio or one of the four local television stations. We will also send out texts to the phone on file.

Re-registration information will be forthcoming soon. A special email will be sent out with the re-registration information and link. If you have a sibling entering school for the first time you must complete an application. Please refer to the Admissions tab on the school website.

Catholic Schools Week begins Sunday, January 27th with our Open House from 1-3. Remember to share the good news about St. Ursula to anyone you meet who may be looking for a Catholic based education for their child. The visitation schedule for the week is as follows:

Monday, January 28	8:30-10:45	all grades	Periods 3-11

Our Wednesday eblast is being sent today since we were not in school yesterday. Please look for the milk/juice order information in the eblast.

To show our support for the Ravens as they start their play-off journey, tomorrow, January 4th, will be a purple/Raven add-on day. Students may wear any Ravens' attire over their uniforms or
