

January 18, 2022

Dear Families,

As you may know, St. Ursula announces the tuition rates in January for the coming school year. These figures are developed through a collaborative process involving the school's administration, the School Board's Finance Committee, and the School Board as a whole as part of the development of the annual budget. I would like to thank the members of the Finance Committee for their thorough analysis and for the Board's continued commitment to the financial viability of our school.

Please refer to the following approved tuition rates for the 2022-2023 school year:

2022-2023 Tuition Rates: Pre-K(4) through 8th Grade	Non-Parishioner Rate		Parishioner Rate	
Child #1	\$7,200		\$5,850	
Child #2	\$6,725	\$13,925	\$4,190	\$10,040
Child #3	\$6,725	\$20,650	\$3,020	\$13,060
Child #4	\$6,725	\$27,375	\$2,570	\$15,630
Each Additional Child	\$6,725	\$34,100	\$2,000	\$17,630

As a follow-up to this letter, in the coming days, you will receive correspondence through **School Admin** regarding your tuition contract. To complete the re-enrollment process, you will need to: 1) sign the contract; 2) submit the re-registration fee of \$55 per family; 3) complete your FACTS account with the \$47 set-up fee per family; 4) complete the Student Accident Information Form; and 5) complete the Alert Form. Once these steps are finished, your child(ren) will be officially re-enrolled for the 2022-2023 school year.

If you have any questions about setting up your FACTS Account, please contact our Tuition Officer Mrs. Joan Francis at jfrancis@stursula.org. If you have any questions about completing the contract, please contact our Advancement Director, Ms. Lauren Calva at lcalva@stursula.org.

Although we have received significant interest from new families for the coming school year, please know that the practice of enrollment priority remains available to our current families. In order to maintain that priority, we simply ask that you complete the aforementioned steps by Tuesday, February 1. Current families who have not finalized the re-enrollment process by the deadline may no longer retain first priority as we will then open our enrollment process up to new families.

In order to add further incentives for completing all five steps for re-enrollment, we are happy to share a couple of student motivations that we will include with this process. If 92% of our current Pre-K through 7th grade students re-register for the 2022-2023 school year by Friday, January 28, our entire student body will enjoy a no-fee Dollar Day to be scheduled on a date in February. In addition, the homeroom with the highest percentage of re-enrollment by the February 1 deadline will be selected to enjoy a breakfast treat on the morning of Spirit Day, February 4, hosted by Mrs. Madgar in the lunchroom. Please note that if multiple classes earn the same percentage, then one lucky class out of that group of classes will be randomly selected to participate.

We are honored by the continued trust you have bestowed upon us, particularly in the light of the challenging times we have faced in the past two years. We remain committed to nurturing the heart, mind and soul of our students and to maintaining the invaluable partnership, guided by faith, hope, and love, that we have with our St. Ursula families and our parish community.

Sincerely in faith, hope, and love,

Lisa L. Madgar
Principal
