NEW Faculty & Staff Appreciation Donations

Each year, during Catholic Schools Week, the PHSA takes an opportunity to celebrate and appreciate our teachers and staff for the wonderful work they do teaching our children, enriching their minds and instilling a sense of well-being and Catholic identity. To express our gratitude, it is a tradition that the PHSA, representing the school families, provides a themed catered dinner for the faculty and staff during Catholic Schools Week. Please consider donating to help us thank them for all that they do, not just for Catholic Schools Week but year-round by. This link will close on February 3: <https://payit.nelnet.net/form/x53kWVNX>

REMINDER PHSA Paint Night

Please come and enjoy an evening of socializing while painting a beautiful winter or Valentine themed scene. The cost includes the 18-inch wooden sign

and all required supplies for the project. Soft drinks, water, snacks, and desserts will be available. The cost is \$40 per person. Only 30 spots are available, so reserve your spot today! Register at this link:

UPDATES & REMINDERS

REMINDER MAP Testing

Students in grades 2 through 5 will take the MAP test the week of January 16th.

NEW Purple Friday Add-ons

Our Baltimore Ravens are in the playoffs and we're celebrating with purple add-ons this Friday, January 13! Students may add on purple and/or black shirts, sweatshirts, socks, hats, and hair accessories to their uniforms. This is not an out-of-uniform day - just an add-on day. Even if you aren't a Raven's fan, wear your favorite team's colors.

NEW Re-Registration

Communication regarding the re-registration process was emailed on Tuesday, January 10th. If you did not receive the contract email or if you have any questions, please reach out to Lauren Calva at lcalva@stursla.org.

NEW Lego Club

We are excited for the return of **F.I.R.S.T. LEGO League Explore** at SUS. This program is open to 1st through 3rd graders interested in science, LEGO, and fun!

Each team is made up of two to six students. F.I.R.S.T (the organization that puts this all together) creates a challenge where each team needs to design a solution. The 2022/2023 challenge is **SuperPowered**. Teams will begin by learning about energy and exploring where it comes from, how it is stored and delivered, and how we use it. They will design new solutions for today's energy challenges. Teams will present their designs publicly at the SUS Spring Art Show and Concert in May.

Meetings will be held at SUS on Thursday EVENINGS from 6:00 - 7:00. We will start on February 9th and run through early May.

Each team needs an adult coach, so parent volunteers are key to the success of this program. We can have a maximum of 5 teams depending on how many coaches are available.

Please contact me at tony.marinaro@outlook.com to sign up for your child or if you have questions about the club.

Sign-ups are first-come, first-served (and we have filled up quickly in past years). Please email your name, your child's name, and the child's homeroom. Please also indicate if you would be available to stay and help your child's team. Service Hours are available.

Beyond science and engineering, this is a great opportunity for our children to learn problem-solving and team-building skills that they will use for a lifetime.

Thank you,
Tony Marinaro
Lego Club Coordinator
