

WHAT'S AHEAD WEDNESDAY

February 8, 2023

From the Principal's Desk...

Happy Wednesday Huskies! I hope everyone had a wonderful Catholic Schools Week. We appreciate everyone's support as we figure out what works best for CSW in our SUS community. We had a great day welcoming parents to classrooms on Parent Visitation Day. It was a wonderful opportunity to highlight the hard work of our students and faculty/staff and our faith in action. We do have plans to streamline the check-in process for our next visitation day. Thank you to each of you for your patience.

This week our students started attending weekly mass by grade level with Fr. Jason. The 5th grade class was the first class to attend. They had such a joyful experience! It was shared by parishioners and faculty that our 5th graders were very reverent during mass. They listened to the homily, participated in singing hymns, and received holy communion with true admiration for the Eucharist. Even Fr. Jason told them how proud he was of their participation and reverence. Way to go 5th grade!

On Monday we sent home the Johns Hopkins School Culture Survey. I would be very appreciative if every family could complete the survey. All responses are confidential and the information provides key details about our school. Thank you to everyone who has already completed it.

Interim reports also went home on Monday. These reports provide a great insight into where your child is currently at for the 2nd trimester. If you did not receive an email link to your interim report please contact the school office. If you have any questions on how your child is doing academically, socially, or behaviorally please reach out to the teacher. If further support is needed please contact Mrs. Jones or Mr. Long.

As always your child is our top priority and we are so grateful that you choose to send your child to SUS. It is truly an honor to walk the journey of faith and education with you.

Faithfully,
Mrs. Leslie Jones
