March 2, 2022

SAINT OF THE WEEK

Saint Angela Merici

Angela Merici (21 March 1474 – 27 January 1540) was an Italian religious educator, who is honored as a saint by the Roman Catholic Church. She founded the Company of St. Ursula in 1535 in Brescia, in which women dedicated their lives to the service of the Church through the education of girls. From this organization later sprang the monastic Order of Ursulines, whose nuns established places of prayer and learning throughout Europe and, later, worldwide, most notably in North America.

Prayer of St. Angela

Saint Angela, you were not afraid of change. You did not let stereotypes keep you from serving. Help us to overcome our fear of change in order to follow God's call and allow others to follow theirs.

Amen
