

WHAT'S AHEAD WEDNESDAY

March 23, 2022

SAINT OF THE WEEK

Saint Isidore of Seville

St. Isidore was born in Spain in 560. Two of his brothers and one of his sisters are also saints. As the Bishop of Seville, Isidore formed schools, funded monasteries, and helped to pass a decree that nearby areas would establish schools. He is the patron saint of internet users, because of his determination to use the world's accumulated knowledge for the service of God's glory.
