Congratulations on completing Kindergarten! We are looking forward to seeing you in the Fall!

### Reminders:

Students should read 10 books with an adult. Be sure to fill out the reading log to be turned in the first day of school. This is a great way to retain what was learned in Kindergarten. Setting aside a daily special time to encourage learning will help prepare your child for first grade.

We love meeting parents at the Back-to-School Meeting, so please make plans to attend. It is a wonderful way to begin the school year. We will provide you with important information about life in first grade. Check the SUS website for the date and time.

Return all completed work and the reading log on the first day of first grade in order to receive credit for your work.
