

Insider Tips

Grandparent's Day

What time do I arrive, and where do I enter school?

Entry is at the playground doors, across from the dumpsters. There may be a line but please be patient! We are trying to move as quickly as possible.

Entry begins at 8:30 AM. This is for the safety of the children to get to their classrooms on time. If you have previously provided your license, don't forget to pre-register so your badge is waiting for you at the door.

2

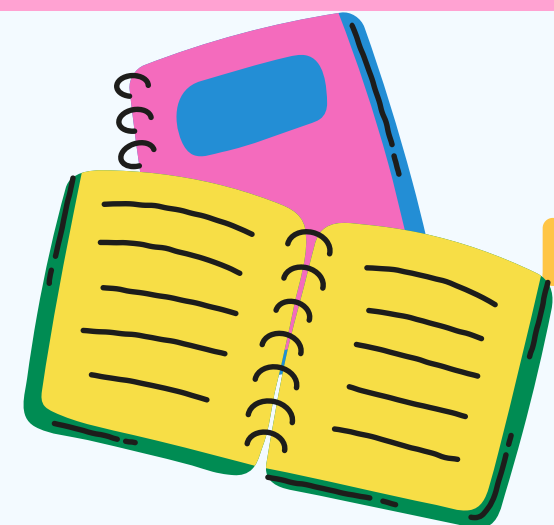

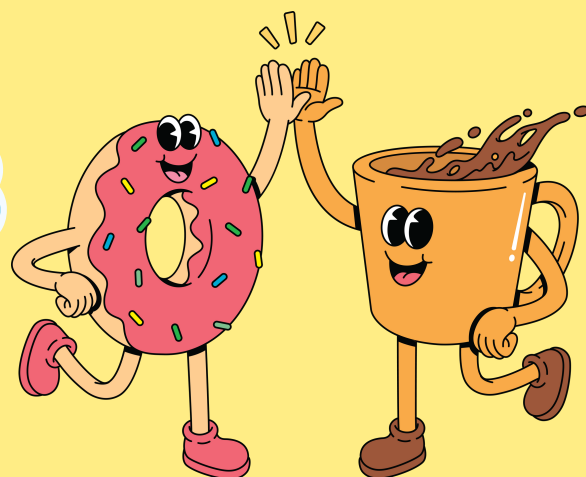

Non-ADA Compliant

St. Ursula's is a safe environment, but we are not ADA compliant, which can be difficult to navigate. Please be prepared to walk a lot of steps, so wear good shoes for walking.

Where do I wait? The Lunchroom!

While you wait to see your loved one, please stay in the lunchroom for safety and space purposes. They are just as eager to see you! In the meantime, please enjoy refreshments and snacks.

Where is the classroom I am visiting?

We will have lots of amazing parent volunteers, alongside the staff, to direct you to the classroom where you're child will be located.

Parking

There will be parking on the SUS Lot, the back half of St. John's Lot, and the church parking lot. Do not park at the St. John's lot directly across from the gym. At the St. Ursula church parking lot, there will be a Curley bus that can transport people from the church lot, to the playground doors. Please leave the spaces open near the Parish offices and park on the back half of the church lot during Daily Mass at 8:30 AM.

Please be kind to our parking attendants, and follow their guidance on parking spots.
