**June 4, 2025**

## A MESSAGE FROM THE SUS LEADERSHIP

Dear St. Ursula School Families,

As my time at St. Ursula comes to a close, I want to express my heartfelt gratitude for the joy and honor it has been to work with this incredible community. Being part of your child's educational and faith formation has been a true privilege that I will carry with me always.

It has been a blessing to work alongside this amazing team of educators and staff who give so much of themselves to our students each day. Their dedication, compassion, and commitment to excellence are the heart of our school. I am incredibly proud of the work we have done together.

Over the past few years, we have made meaningful growth in both academics and school culture. We have enhanced our curriculum, expanded support for student learning, and strengthened our Catholic identity. We introduced new initiatives to promote faith, responsibility, and a strong sense of community, and we've taken steps to ensure our facilities better support the needs of our students and staff.

This summer, we will begin the first phase of our flooring project. New carpet will be installed in the middle school classrooms, and LVT flooring will be added to the middle school hallway and first-floor hallway. Future phases will continue over the next two years to replace the flooring in the second-floor and first-floor classrooms and second-floor hallway. This update will refresh our school and help create a welcoming environment.

As I step away from this role, I do so with confidence in the bright future ahead for St. Ursula School. This is a truly special community rooted in faith, hope,

and love, and supported by families, educators, and staff who care so much for each other.

Thank you again for the incredible memories, your partnership, and the opportunity to be part of your child's journey. I will always hold St. Ursula School close to my heart.

I hope you all have a spectacular summer!

With faith, hope, and love,  
Mrs. Jones  
Principal

Many people want to read the Bible because they know it is God's Word, but they give up because it seems so complicated. *Unlocking the Mystery of the Bible* helps you to get the "big picture" of the Bible by showing how fourteen narrative books of the Bible tell the complete story from Adam and Eve to Christ and the Church.

*"I never would have read the Bible if it wasn't for this, and now I simply adore Scripture. It has given me such insight into the Catholic faith and helps me to understand its true beauty."*
